

We will be exhibiting at EUROGUSS 2022!

Ryobi will be exhibiting at EUROGUSS 2022: International Trade Fair for Die Casting, Europe's biggest trade fair for die casting is held every 2 years, giving insight on new technologies, processes, and products. At our stand we will introduce our latest technology with the theme, "Light Weight Innovation from Japan." We look forward to seeing you at our stand!

Exhibition Centre Nuremberg (Germany)

08 - 10 June 2022

<https://www.euroguss.de>
